▼ Details

Type:	Bug	Status:	TO DO (View Workflow)
Priority:	High	Resolution:	Unresolved
Labels:	None		
Epic Link:	french-shop.com.ua (Hritsenko Maryna)		
DoD:	EMPTY		

▼ Description

StR:

1. Open to french-shop link
2. Click the [account] button in the header
3. Click the [continue] button
4. Enter 12345 in "name" field
5. Click [continue] button

AcR:

No validation in "name" field, name "12345" entered

ExR:

When entering invalid values (numbers, special symbols) into "name" field, display a validation message to the user: "name" field can only contain letters (1..32)
